

Truckee Loses To Colfax, Wins Holiday Contest

Moutaineers Will Travel To Roseville For Night Game

The Colfax Fireballs fattened their batting averages at the expense of the Truckee-Tahoe Moutaineers here Sunday and won a Placer-Nevada League contest 31 to 11.

Fourteen of the 16 players used by Colfax hit safely, three of them, Jensen, Hill and Pello, four times. In his four times at bat, Centerfielder Woody Hill hit four times.

Al Wakefield, Truckee first baseman, led his teammates at bat, getting four for five, including two doubles, a feat duplicated by Pitcher Pello for the visitors. Frank Giovannoni for Truckee and Catcher Bravo and Third-baseman Hutchinson hit homers.

Things looked good for the locals up to the fourth inning when they led six to five. In the first half of the fifth, Colfax started walloping the offerings of Stanley Pomin and before the frame was over, 12 run off 10 hits came over the plate. This apparently discouraged the Moutaineers and from then on it was Colfax's game. Truckee scored twice in the fifth and three times in the ninth but the visitors continued to hit Karl Kiehlhofer and Bert Munson in every inning.

Billy Campbell pulled three for five and Munson, who played right field as well as on the mound, collected two hits for his four times at bat. Mike Korich, Giovannoni, Davidson, Jackson and Pomin accounted for seven hit each.

Truckee's seven errors, all costly, contributed largely to the run-fest staged by the Fireballs.

This week Truckee goes to Roseville for a night game Saturday night.

In other games last weekend, Placerville beat Nevada City 10 to 0; Roseville beat Auburn 15 to 14 in 10 innings and Lincoln walloped the JACL 12 to 2.

The score: R H E
Colfax 31 30 2
Truckee 11 14 7
Pello, N. Goldsberry, Stinson and Bravo; Pomin, Kiehlhofer, Munson and Korich, Owens.

The Truckee-Tahoe Moutaineers won their first game of the season on the Fourth, defeating a Reno Industrial League team 11 to 9.

Pomin, Munson and Ray Doley held the visitors to nine hits while the locals collected 16 off Arndell and Payne.

The seven-inning affair attracted only a small following of fans.

The score: R H E
Reno 9 9 3
Truckee 11 16 5
Arndell, Payne and Petrini; Pomin, Doley, Munson and Owens.

HOSPITAL TO ASK COUNTY FOR AID

County Welfare Director George Lowry and John Wardman, administrator at the Tahoe Forest Hospital, are scheduled to meet with the board of supervisors on Monday to work out a plan for reimbursing the local hospital for Nevada County indigent patients treated there.

Wardman appeared before the board recently and explained the local situation, pointing out that many accident patients and others who formerly would have been taken to Reno for treatment are now being received at the local hospital.

These patients are now being transferred to the Nevada County hospital as soon as possible but no provision has been made for the cost of local treatment.

Since some of the patients are from Placer County, Wardman said he will present a similar proposal to the supervisors of that neighboring county.

Army Recruiter Tells New Enlistment Plan

Master Sgt. Elton D. Shimpoch of the Army recruiting staff at Reno was here yesterday and explained the new procedure which permits young men to enter their choice of the service, even after they have had their pre-induction physical examination.

Sgt. Shimpoch said he would be pleased to interview prospects for the army or air force at his office in Reno.

GETS LICENSE

J. Vind of Norden has been advised that he has successfully passed his examinations and is now a general contractor with the required licenses.

Johnson Urges Local Support For Fish Ponds

Plans are afoot for installation of a major fish raising plant at Tahoe City, but funds may be diverted to another location unless local sportsmen and organizations take immediate steps to prevent.

This warning was issued at Monday night's meeting of the Truckee Rotary Club by State Senator Harold T. Johnson, the guest speaker, who gave an interesting talk on the plans and program of the fish and game department. Johnson is a member of the interim committee on fish and game.

The senator urged members of the Rotary to write letters explaining the desire and necessity for the Tahoe project and asked that no action be omitted which will bring about construction of the rearing plant.

It was largely through Johnson's efforts that recent plantings of catchable trout were made in the Truckee River. More and similar plants are planned for this year and Johnny Ciardella, president of the Truckee Outdoor Sportsmen, who introduced Monday's speaker, said his organization plans to continue its work to make the program an annual affair, maintaining a well stocked stream.

The meeting Monday was the first presided over by the new president, Charles Osburn. Guests included Ed White of Loyaltown and Charles C. Black of Lodi. The meeting was held at Brown's Cafe.

OUTBOARD RACES ON DONNER WILL BE SUNDAY EVENT

Water sports enthusiasts will assemble at the west end of Donner Lake Sunday at noon to enjoy the annual outboard motor boat races and other scheduled events being planned by James (Hap) Warnke of Donner Lake Lodge.

The races are sanctioned by the National Outboard Motor Boat Association and some of the fastest craft in this type will be on hand for the close competition. Water skiing and kindred events will also be enjoyed.

In the evening the Lodge will hold a buffet style dinner. No charge is made for the races and everyone is invited to join in the fun.

Marie Cabona Writes From Home in France

Mrs. F. W. Gaiennie has received a letter from Mrs. Marie Cabona, former Truckee resident, who has returned to her native France. She reports the weather there has been unusually hot but otherwise she is well and recovering from a recent illness. She keeps in touch with local doings through the Sierra Sun and wrote to congratulate Daryl Gaiennie upon his recent promotion to manager of a Missouri power company.

MOTHER OF LOCAL WOMAN DIES HERE

The body of Mrs. Catherine Dorsey, 71, mother of Mrs. Oliver Crandall, who died at her daughter's home here Monday morning, was taken to Ingleswood for funeral services and interment.

Mrs. Dorsey, a native of England, had been visiting here off and on for the past year and a half and recently had been in ill health.

Several other daughters and sons reside in southern California. The Truckee Colonial Mortuary had charge of local arrangements.

Plans Are Comple For Local Club Tea

Past presidents and officers of the Wyethia Club will be in the receiving line during the annual silver tea to be given between the hours of 2 and 5 o'clock on July 18 in the garden of the home of Mr. and Mrs. E. L. Loynd at Gateway Park.

Mesdames C. B. White, Charles Heller, Fred Pedley, and Rex Reid will pour during the afternoon.

Return from Ukiah

Mr. and Mrs. A. Curutcheberry have returned from Ukiah, the former is engaged in logging here

Blood Bank To Started Here In District Project

Any Surplus Will Go To Armed Forces Under Program

The recently created Blood Bank Committee, headed by Mrs. Ethel Buell of Truckee and comprising members from all parts of the Tahoe Forest Hospital District, will meet tonight to complete details for the proposed blood bank program for this area.

Collections will be in Truckee July 21 and at Tahoe City the following day, according to John Wardman, who is sponsoring the project. The committee will interview prospective donors and assign dates and hours. A mobile unit will be stationed here for the purpose, Wardman said.

The blood bank is designed to accumulate a permanent supply of 50 units which will be stored at Sacramento on deposit for use by anyone in the hospital district. Any surplus will be donated to the armed forces.

Under the plan explained by Wardman, anyone in the district is entitled to draw on the bank whenever the need arises, regardless of whether or not they are donors. And, he said, it is not necessary that the treatment be made at the local hospital. In other words, a member of the local bank needing a transfusion anywhere in the state may show his card and be entitled to the service at a major serving.

Wardman explained that membership in the blood bank entitles the member to have the treatment for \$7.50 whereas the usual charge for this service is \$32.50.

Aside from the permanent deposit at Sacramento, a so-called walking bank will be maintained locally. That means that anyone wishing to participate in the plan may call and have his blood typed and in an emergency be called upon by the hospital to supply the transfusion.

Repeated collections will be made, Wardman explained, from those who are willing to share in this worthy project.

While it is not necessary to be a donor in order to participate and be eligible, Wardman urged that everyone that can provide his or her share.

ALL-TIME TRAFFIC RECORD SET HERE DURING HOLIDAY

The weekend of the Fourth saw a new all-time record for traffic established at the Truckee quarantine station.

Orval Vaughn, inspector in charge, said that Sunday they recorded the largest number of cars to pass the station when 3550 were checked. This did not include a like number east bound nor did it take in the local vehicles, trucks and buses.

Friday, the Fourth, 3450 cars were checked, 100 fewer than the Sunday high mark.

A crew of 16 men is now required to man the station and at times traffic during the holiday period was congested.

S.P. President, Party Are Visitors Here

D. H. Russell, president of the Southern Pacific Company, and his party spent the 4th of July weekend in Truckee, inspecting the railway installations and generally relaxing here. With him in his private car were Mrs. Russell, their son-in-law and daughter, Mr. and Mrs. Richard Miller, and M. L. Jennings, superintendent of the Sacramento division of the S.P., with his wife.

EMPLOYEE NEEDED AT LOCAL HOSPITAL

Applications are being received by the Tahoe Forest Hospital for a second cook and a maintenance man. Administrator John Wardman said he would interview applicants at the hospital.

Sun Beams

by Walter M. Barrett

It may be a coincidence, but it has been brought to our attention many times that firms which use newspaper advertising consistently are generally successful. This is probably due to two distinct and allied facts. First, the progressive, modern businessman knows he must keep up with the trend of merchandising if he is to maintain a competitive pace. Second, there is no better nor more economical way of presenting his message to prospective buyers than through newspaper advertising. A combination of good merchandising, consistent advertising and fair practices seldom if ever results in failure. The lack of any of these points, however, may see a business decline and it is our firm conviction that all three are vital to any business regardless of its nature.

The fact that two people were killed and several others injured on our highways during the weekend of the holiday should not be taken as a reflection upon the highways. As a matter of fact, the two serious mishaps occurred through the fault of the drivers, according to reports by the investigating officers. Speed in both cases was blamed. It is unfortunate indeed that there must be a few reckless and even drunken drivers who make the roads unsafe for the thousands who would otherwise find peaceful enjoyment in motoring ease.

HUGE THROG AT LOCAL PROGRAM SEES FIREWORKS

More than 2,000 attended the weiner roast-and program sponsored by the Truckee Chamber of Commerce and other local and nearby businessmen on the evening of the Fourth at Donner Lake.

The evening was ideal for the celebration and the man-made brilliant fireworks which following the evening of feasting and visiting found rugged competition in the full moon which predominated to make the scene beautiful.

The committee comprising Rex Reid, E. K. Stice and Oscar Quam, had the voluntary assistance of several others in serving the huge crowd and displaying the fireworks.

More than 1,700 weiners were served before the supply was exhausted and the serpentine line was still moving ahead.

Southern Firm to Build Quarantine Station Here

SACRAMENTO (C. N. S.)—The division of architecture has announced low bidder for construction of the department of agriculture inspection station in Truckee is Vic Martin, Pasadena, with a bid of \$86,390.

TELEVISION IS INSTALLED FOR DONNER 'RANCH'

Jack Woodard of Donner Ski Ranch announced yesterday that installation of a television set at the resort was completed by Jerry Cobb of Nevada for the benefit of their patrons. The public has been cordially invited to view the current political convention, as well as many other features on the large screen.

Woodard said that special gear was necessary to complete the installing and it is believed to be the longest pickup and transmission in the west.

Eagle Women's Softball Team Planning on Game

Mrs. Hugh Weinand reports that the softball team from the Women's Auxiliary of the Eagles has resumed practice each Wednesday evening between 6:30 and 9 p.m. and those wishing to participate are invited to join at the local park. Mrs. Weinand said she is arranging for a game which she hopes can be played in the near future.

Leitch To Leave Here To Accept Placerville Post

Man from Sacramento Will Arrive Here For Replacement

The Truckee and Lake Tahoe area is losing one of its best boosters and most prominent citizens.

A. P. (Art) Leitch, for the past 25 years manager for the Pacific Telephone Company in this district, is being transferred to the Placerville office. He will leave for his new position August 1.

Leitch's successor here will be Howard J. Newsham of Sacramento, who will come to Truckee next week to take over his new duties. The new manager started his telephone career in San Francisco in 1940 and has been in Sacramento since 1949. Newsham is married and has one child. He will bring his family to Truckee just as soon as the necessary arrangements can be made.

Leitch started with the company in 1920 at Sacramento and later was manager at Selma and Woodland, coming to Truckee in 1927.

Not only has Leitch proven himself a very capable and valuable executive for the company he represents but has taken an active lead in many local civic and community affairs. He was a leader in the organization of the Lions Club and its first president, for years a director of the chamber of commerce and headed committees on numerous local celebrations, including the famous dog derbies and similar events.

Despite the stress of his business in the huge district which extended at one time from Quincy in Plumas County to Strawberry in Eldorado County, Leitch has always found time to devote himself to the progress of the region.

Mrs. Leitch, who since the opening of the Tahoe Forest Hospital has been employed as a nurse, is resigning her position there to accompany her husband to Placerville. Like her husband, Mrs. Leitch has been active in local civic and social affairs.

Although they will be missed by their legion of friends, the Leitches will receive hearty congratulations since the promotion was of their choosing.

NURSES' AID SCHOOL TO BE HELD HERE

Starting next Wednesday, July 16, a nurse's aid training class will be started at the Tahoe Forest Hospital under the leadership of Administrator John Wardman and Mrs. Ardath Leitch.

Wardman said the classes will be for present employees and all those interested in future employment at the hospital. A list of those taking the course will be made and later will be called when vacancies occur in the staff.

The lessons will occupy five weeks and will be held each week Monday through Friday from 2 to 3 p.m. There is no obligation attached to the instructions.

Women's Tri-County Board to Meet at Lake

TAHOE CITY—The Tri-County Federation of Women's Clubs will hold a board meeting at the summer home of Mrs. J. Paul Webb at Tahoe on July 16 to outline plans for the summer conference at Homewood August 15.

Mrs. Delbert Nielgel of Cool, El Dorado County, is president of the organization.

MEET SCHEDULED

A meeting of the Truckee Outdoor Sportsmen is scheduled for Friday evening at 8 o'clock at Capitol Hall. Johnny Ciardella will preside.

Marriage License

Richard M. Wandslebe and Lavena B. Wernic, both of Truckee, applied for a license to marry at Reno this week.

With Grandparents—Ann and Barbara Richards of Sacramento are visiting their grandparents, Mr. and Mrs. A. L. Davidson, this week.

Two Dead, Ten Hurt As Wrecks Feature Holiday

High Speed Is Blamed For Fatal Accident Near Here

The Truckee area contributed more than its share to California's tragic automobile toll during the weekend of the Fourth of July.

Two Beale Air Force soldiers were killed and eight other persons injured, some of them critically, in two holiday mishaps, the California Highway Patrol reports. The dead: Lt. Phillip Bastain, 31, of Texas, and Sergeant Gordon Bliss, 29, of Bristol, N. H.

The injured: J. D. Hurley, 35, and his wife, Agnes, 40, of Helena, Montana; William McGuire, 25, a civilian employee at the base, and Sergeant Raymond Deitsch, 29; Frolien Joseph Thompson, 25; Robert Calhoun, 34; Charles L. Boyle, 21, and Marcelino Olivarez, 23, all of the Travis Air Base at Suisun.

Bastain and Bliss were killed almost instantly from broken necks when the car driven by the former and occupied by Bliss, McGuire and Deitsch collided head-on with the Hurleys' new Mercury sedan 100 feet west of the James McIver home in west Truckee. Patrolman William Gautsche said excessive speed by the Bastain car, the speedometer of which was stuck at 85 miles per hour, caused the accident on the easy curve.

The Hurley were taken to the Tahoe Forest Hospital by Truckee ambulance, as were the two injured in the Bastain car. All were described as in serious condition but are expected to recover.

The Hurleys were taken to the Bay area to visit relatives and had purchased the new car for the trip. Both vehicles were demolished.

Rainbow Crash

The four Travis airmen were injured, Thompson and Calhoun seriously, when the car driven by the former got out of control and plunged off the embankment into large rocks. State Patrolman Carol Maynard cited the driver for speeding and not having his vehicle under control in a mountain area. The injured were taken to the Tahoe Forest Hospital by Truckee ambulance. The mishap occurred at 6 o'clock on Saturday morning as the car was traveling west.

Couple Injured

In an accident six miles south of Truckee on the Brockway Cutoff Monday evening, Cecil Harvey Moore, 43, and his wife, Edna, 40, both of Kings Beach where the former engaged in the logging business, were seriously injured when the pickup truck lost a right rear wheel and axle on the grade and crashed into a tree.

The two were taken to the Tahoe Forest Hospital by the Tahoe ambulance. The truck was a complete wreck. Patrolman Maynard made the investigation.

LAKE MATRON DIES EN ROUTE TO RENO

KINGS BEACH—Mrs. Patrice Erickson, who with her family occupied a summer home on the Brockway golf course, died Monday en route to a Reno hospital following a sudden illness.

Mrs. Erickson's husband, Edward L., operates a printing plant at Piedmont and she is survived by a daughter, Mrs. Joan Patrice Clement, Oakland; a son, Edward Carey, of Piedmont. She was a native of New York.

Harvey Hockers Parents Of Daughter on July 4

Marlene Elizabeth, first child of Mr. and Mrs. Harvey Hocker of Truckee, arrived at Tahoe Forest Hospital on Independence Day, July 4. Her birth weight was six pounds and ten ounces. Both Marlene and her mother are doing nicely.

WOMAN FATALLY HURT AT TAHOE

CAVE ROCK—The only automobile accident fatality in western Nevada during the long July 4th holiday weekend resulted in the death of Anna Egger, 22, dancer at the Casino de Paris casino at Lake Tahoe.

Miss Egger, a resident of Elizabeth, N.J., was crushed to death when a car driven by Edward J. Diferico, 28, dealer at the casino, ran off Highway 50 near Cave Rock Saturday afternoon.

Constable William Stambaugh reported Miss Egger apparently tried to jump out of the car after Diferico fell asleep at the wheel and the vehicle plunged off the highway.

Property Value Shows Big Gain In This County

William Tamblin, assessor for Nevada County, told the board of supervisors this week that a one-third rise in county property tax assessments had been established this year.

The increase, Tamblin explained, resulted largely from the reassessment conducted during the last year and a half and effective on this year's books. The increases hit hardest at those whose property had not been re-evaluated for several years.

The assessments are made as of the first Monday in March of each year.

The board of supervisors this month is meeting as a board of equalization on Mondays and will be in session next Monday and the following to hear any complaints offered by taxpayers.

Tamblin's figures showed the secured property roll for 1951-52 as \$14,896,310 and for the current 1952-53 period, \$20,034,300, while the unsecured roll went from \$15,891,260 for 1951-52 to \$21,201,360 for the next fiscal period.

These figures combined show a net gain of 33.4 per cent in county assessments.

Board Chairman H. G. Loehr said that few people have appeared before the board during the sessions.

WINTER STORMS SHOWN TO LIONS ON MOVIE REELS

Motion pictures of the famous 1952 snow storms in the High Sierra, particularly as they affected the Pacific Telephone Company's facilities, were shown at the meeting of the Lions Club last night by James Butler of Reno. A. P. Leitch, local manager, introduced the speaker.

Guests included Jack Thomas, Sacramento; J. F. Bays, Truckee; Ken McCray and Vern Olson of Auburn; Robert Allred, Sid Gorman and John May. Angelo Besio presided and C. R. Heller was the program chairman.

THREE FIRES IN DISTRICT FOUGHT BY FOREST CREW

Three incipient forest fires, two started by careless smokers, were snuffed out by the fire suppression crew of the Tahoe National Forest on July 5, 6 and 7.

A half acre was burned over near Shaeffer's Mill on the hill back of Truckee on Saturday, the blaze started by lightning.

A small area at Watson Creek, near Carnelian Bay, caught fire from a tossed cigarette on Sunday, and at 1 p.m. Monday the crew was called to suppress another smoker's fire which began on the hillside near Thorton's Garage, confining it to an area of 20 feet between the road leading to the old high school and Highway 40.

Henry Toccalini, forest service dispatcher, said that two fires, earlier reported, made a total of five to date.

ADVERTISING PAYS IN THE SIERRA SUN

T. T. Buell, superintendent for the division of highways in this district, reports that it pays to advertise in the Sierra Sun.

A small classified ad last week asked for applicants for checking cars passing over the highways for a two-day period. Buell said that some 30 applicants applied for the 20 positions. Orders to discontinue the ad this week arrived too late and although it appears on another page, it should be ignored.

SMALL BOY DROWNS IN TAHOE MISHAP

TAHOE VALLEY—A San Mateo boy—seven year old Karl Anders Larsen—was drowned in Lake Tahoe the evening of July 4. The youngster fell into the water from a pier while he was fishing.

Karl's father, Marius Larsen, is a caretaker at the George A. Pope summer home on the west side of the lake.

IRENE CATTERLIN WED JULY 4 TO WM. SEWARD

TAHOE CITY— Her many Tahoe area friends are congratulations the former Irene Catterlin of Sacramento on her marriage Friday, July 4, to William Seward of Broderick at Reno. The simple ceremony was performed by District Judge A. J. Maestretti.

The just-weds are honeymooning at Tahoe City, where the bride was once the owner of The Bean Pot. She is a sister of Mrs. Stella Watson and currently is night manager of one of the Hart's cafeteria chain in the capital city. She and Seward met last summer while both were vacationing at the lake.

Following their honeymoon, the Searws will be at home at 602 G Street in Broderick, Yolo County.

Federal Tax Collections Increasing Sharply

In the first five days of March, 1952, the U. S. Treasury received \$5,269,000,000 in taxes—more than it collected in the entire year of 1940, when collections amounted to \$5,264,000,000.

family of Sacramento are spending the week with the Del Richards cabin in Pineland.

Mr. and Mrs. Joseph Facha Jr. of Downey visited her parents, Mr. and Mrs. Barney Morrow of Tahoe City last Saturday. Accompanying them were Mr. and Mrs. Joseph Facha Sr. of Newcastle and Miss Frances Facha of Newcastle. The junior Faches will enjoy a two weeks vacation with the Morrows later in the summer.

A. J. Rodrigues of Auburn is arriving this week at Tahoe City for an indefinite stay.

CHIROPRACTIC CLINIC OPENED AT LAKE BY DR. WM. F. HENRY

TAHOE CITY—Dr. William F. Henry, well known California chiropractic physician, has purchased the former home of Judge and Mrs. C. W. Vernon on Lake View Drive in Tahoe City. Dr. Henry plans extensive alterations to the premises to provide living quarters and a well-equipped clinic for his chiropractic and psychological practice.

Dr. Henry, a pharmacist, chiropractic physician and psychologist, formerly practiced in Santa Barbara and other California locations over a period of 15 years. He received his training at University

of California, the Pepperdine College and Los Angeles College of Chiropractic. Dr. Henry is president of the California Psychological Association and served for several years as legislative representative of the Medical and X-ray Laboratories Association and the California Chiropractic Association. As legislative advocate, he successfully worked to amend the Workmen's Compensation laws to provide for treatment to injured employees by chiropractors under compensation insurance.

Dr. Henry plans to conduct only a limited field of psychological work and will devote his attention primarily to general practice and in particular to correction of so-called sacro-iliac and lower back

LETTER To the Editor

Los Angeles, Calif.

Gentlemen:

You know what? We miss our Sierra Sun. So enclosed find three dollars for a subscription for your fine, newsy paper. We are old subscribers. We used to own and Jones' Cottages at Tahoe Vista. Sold our place to the Ludlows, who are operating it now.

Since our departure from Lake Tahoe and our many friends, it was my luck to go to the Wadsworth (Veterans) Hospital for an operation on both legs, staying there for a period of sixteen months. Was so long there, I've got to make up for lost time. That's one of the reasons we want your newspaper, to see what people are doing up your way.

Thanks in advance. Yours truly,
C. W. JONES

injuries and impairments. In southern California, extensive work in correcting lower back conditions resulted in Dr. Henry's being termed the "sacro-iliac doctor."

The clinic is being well equipped with x-ray, basal metabolism laboratory and other diagnostic equipment, as well as physio-therapy department. Arrangements have been made for distribution of Vitamins and other dietary supplies.

Dr. Henry plans to make Lake Tahoe his permanent home and to conduct a year-round practice here. The family consists of Dr. and Mrs. Henry and four children, Donald, Carolyn, Michael and Jimmy.

GREAT-GRANDDADDY GETS A WORKOUT — Marge Forbes (left) and Janet Jackson test this 100-year-old Columbia press, one of three of its kind in the United States, which will form part of the exhibit of the printing industry which the City and County of San Francisco will feature at the California State Fair in Sacramento, Aug. 28-Sept. 7. Discovered in Santa Cruz in 1949, the press is owned by John E. Jones, San Francisco printing equipment firm executive. The San Francisco Club of Printing House Craftsmen is collaborating with the city in arranging the exhibit.

Rev. Carl Tamblin Is Guest Organist

TAHOE CITY—Guest organist at the Episcopal Outdoor Chapel near Tahoe Tavern last Sunday was Rev. Carl Tamblin of St. Luke's Episcopal Church in San Francisco. He will continue to play at Sunday services here for the entire month of July. Mrs. Tamblin and their son, David, accompanied him to the lake for vacation.

Guests at the home of Bishop and Mrs. Noel Porter near the tavern on the lakeshore over the recent holidays were their son Noel Porter of Palo Alto, his wife and daughter, Diane, who will remain for the better part of the summer here. Mr. and Mrs. Thomas Tyson of Lincoln were guests of the Porters over the Fourth of July holidays.

MOBILE BLOOD UNIT COMING JULY 22; 151 PINTS REQUIRED

TAHOE CITY—Residents of the Lake Tahoe area of Placer County are reminded of the approaching visit of the mobile blood bank in Tahoe City on the morning of July 22. In order to make the visit a success, 151 pints of blood must be donated. The blood bank is being sponsored by the ladies of the Truckee Wyethia Women's Club and appointments should be made with the directors of the different areas prior to the arrival of the unit.

John Wardman is administrative director of the Tahoe Forest Hospital blood district, which reaches

from Bliss Park on the south to the California-Nevada state line at Crystal Bay on the north end, beside Truckee and Donner Summit.

Walter Mandeville is director of the Kings Beach area; Mrs. Alice Sorensen, Tahoe Vista; James Martin, Tahoe City; Mrs. Jeanette Mitchell, Highway 89 south; Mrs. Ethel Buell, Truckee; James Sherritt, Soda Springs.

WITH PARENTS

Harold Parr of Oakland motored to Tahoe City to spend the holiday weekend with his wife, Lillian, who is spending the month of July assisting her folks, Judge and Mrs. C. W. Vernon in Tahoe City.

Tahoe Yacht Club Regatta To Be Run Sunday, July 13

TAHOE CITY— Commodore Rudolph Zimmerman of the Tahoe Yacht Club Monday released the program for the club's 1952 regatta to be held at Chambers' Lodge, Lake Tahoe, Sunday, July 13, starting at 9:40 a.m. Plans for the regatta were discussed by members at the June 28 luncheon at Chambers' Lodge at which judges were selected to serve on the 13th. They include Edwin Letts Oliver, Ollie Meek and George Lewis.

Jake Obexer of Homewood and

Bud Scott of the Tahoe Boat Company are donating the loudspeaker equipment for the day of the races and Ollie Meek is donating the loudspeaker system to advertise the regatta around the lake prior to the races.

Election of new officers for the ensuing year will be held at a luncheon at Chambers' Lodge, an annual affair, on Saturday, July 12, at noon. The membership and their friends will be entertained at a cocktail party by Cal-Neva Lodge

at 6:30 p.m. on Sunday, following the races.

The program for the July 13 regatta is as follows:

First race: 9:40 a.m.: 130 HP and under, stock displacement hulls, stock engines.

Second race: 10 a.m.: 165 HP and under, stock displacement hulls, stock engines.

Third race: 10:20 a.m.: Outboards, two events to race simultaneously, drivers not over 12 years; 10 HP and under, drivers not over 16 years. This is one of two races open to non-members.

Fourth race: 10:40 a.m.: 325 HP and under, 25 feet and larger stock displacement hulls, stock engines.

Fifth race: 11 a.m.: Ladies championship, 200 HP and under, stock displacement hulls, stock engines.

Sixth race: 11:20 a.m.: Lake Tahoe championship. Free for all.

Seventh race: 11:40 a.m.: Relay race. Open to all classes.

Eighth race: 12 noon: Bang-and-go-back race. Open to all classes.

All events, except third and sixth races, are limited to Tahoe Yacht Club members.

Trophies are on display at Chambers' Lodge and will be presented immediately after the last race.

A special feature of this year's program is the listing of the past commodores of the Tahoe Yacht Club since its inception, the list including some of the state's most prominent business men and boat devotees. Starting in 1925, Edwin Letts Oliver headed the list as first commodore and held the post for three years. George A. Newhall Jr. took over in 1928; Charles H. Kendrick, 1929; Charles E. Townsend, 1930; John B. Metcalf, 1931; J. Carroll Skinner, 1933-34;

SQUAW VALLEY— Literally burning up the snow Sunday afternoon, Bumps Woronovsky blazed his way to first place in the Squaw Valley Summer Ski Derby. To be awarded besides the regular prizes will be the Commodore's Cup which goes to the winner capturing the most points during the day—five points for each first place, three for each second, one for each third place and one for each race entered.

Present officers are Commodore Zimmerman; George M. Lewis, vice commodore; Randy Walker, rear commodore; E. L. Oliver, secretary and treasurer; Brad Baruh, port captain. The regatta committee includes Ollie Meek, chairman, Fred Main, Ken Scott, Burt Towne Jr., Brooks Walker, J. Carroll Skinner, Leonard S. Reeve, Jake Obexer, Fred Hallett, John Dicks, assistant secretary; Announcer Fred Main, Publicity C. W. Waters and J. Carroll Skinner, official starter.

near the top of the course and went the gamut on his back, as did another favorite, Jimmy Baker of Lake Tahoe. Dave Taylor, a Stanford lad who cleaned house at Sonora two weeks ago, ran into a little trouble and came out fifth best.

Running the same course as the men, little Carol Jones from Vallejo led the girls down the mountain in 52 seconds, just nine seconds behind the best men's time and some eight seconds ahead of Roma McCoy of Mammoth Mountain, who second spot.

Bob Potts, teacher in the Squaw Valley school, took out his skis Sunday morning for the first time in several months to rack up a second place in 45.7 seconds. J. Branger of San Geronio was third in 47.8, with Dave McCoy of Mammoth in fourth with 48.5.

More than a thousand spectators rode up the chair lift to watch the spectacle. Stan Tomlinson, Squaw Valley's top ski instructor, set the 25-gate course on corn snow. Of 65 entrants, 23 failed to arrive at the finish gate. Although there were no injuries, the fast corn snow looked more like a kiddies slide at times. Racers frequently skidded out of control for several hundred feet at a crack, scattering slalom gates over the entire mountain.

Other placers, in order, in the first ten were Ned Stuart, Tahoe City; Carl Bidinger, San Geronio; Ronald Rau, Soda Springs; Randal Zimmerman, San Geronio; Mark Noble Jr., San Francisco. For the

Howard Guth Honored On Birthdate

TAHOE CITY— Howard Guth of Sunnyside was given a surprise birthday party on Wednesday evening, July 2, when a group of friends and neighbors dropped in for the occasion. His gifts were all comical, providing considerable laughter.

A social evening, which included the serving of a red, white and blue decorated birthday cake, ice cream and refreshments were enjoyed by all. Present were Mr. and Mrs. Denis Sach, Mr. and Mrs. Imen Mitchell, Mr. and Mrs. Bert Anderson, Mr. and Mrs. James Martin, Mr. and Mrs. Pete Sederberg, Harold Young, all of Tahoe, and Mr. and Mrs. Larry Derick of Burlingame.

Largest Trout

The largest trout reported landed in California this year has been claimed by Robert F. Hankey of Long Beach. He boated at 15-pound, 10-ounce Loch Leven at Crowley Lake, Mono County, late in May. The 29 1/2-inch fish measured 18 1/4 inches in girth.

From where I sit... by Joe Marsh

How Nervy Can a "Tenant" Get?

"Harry the Hermit" dropped in to see Judge Cunningham the other day and started complaining about that dilapidated house he lives in over near Greenwood Lake.

"Who's my landlord?" Harry wanted to know. "Whoever you pay rent to," says the Judge. "Don't pay any rent," says Harry. "Moved into that house twelve years ago and nobody ever came to collect."

"Well," says the Judge, looking mystified, "what do you have to complain about?" "Plenty," replies Harry. "Rain's pouring in my living room and if someone doesn't

fix that roof, I'm moving out!"

Now Harry was only having a little joke, but from where I sit I've seen people act just about as nervy as this sometimes—seriously. Like those who enjoy all the rights Americans have worked for, and yet would take away some of those freedoms from others—for example, our right to enjoy a friendly glass of beer. I say these "leaks of intolerance" have no place in the "home of liberty."

CRUISER "TAHOE" NOW MAKING TRIPS REGULARLY

TAHOE CITY—Bud Scott of the Tahoe Boat Company, Tahoe City, reports his new express cruiser, the "Tahoe", made her first trip of the season to Emerald Bay Monday and will run regularly from now on.

Starting July 7, for the next ten days the "Tahoe" will leave Tahoe Tavern pier twice daily for the run down the shoreline to Emerald Bay, one of the highlights of the trip being a stop at Vikingsholm, the beautiful former estate of the late Mrs. Laura Knight, and the trip around the island in the middle of the bay.

Starting shortly, the cruiser will make the trip entirely around the lake on Tuesday, Thursdays and Saturdays, with the boat available for charter trips for large parties. On the around-the-lake trips, stops will be made at Glenbrook and Brockway.

BUSINESS, WEATHER OVER HOLIDAYS GOOD AT TAHOE

TAHOE CITY—Although thousands of cars swarmed over highways at Lake Tahoe over the holiday weekend from just about every state in the union and beyond, few and far between were the accidents in the Placer County area. Not a room was available for late comers, with all resorts, motels, private homes and public parks packed to capacity.

Beautiful weather prevailed and a marvelous business was enjoyed by large and small enterprises of all description. This was the first real break the Lake Tahoe area has enjoyed this year, as early vacation weather was cold and rainy. However, the week before and the holiday weekend itself were clear and warm. A. E. Frodenberg, the official observer reported the following daily high and low temperatures: July 1st: 65, 36; 2nd: 74, 39; 3rd: 75, 43; 4th: 79, 39; 5th: 77, 41; 6th: 72, 38; 7th: low 44. PINE PRODUCTION IN WEEK GIVEN AS 79,188,000 BOARD FT.

SAN FRANCISCO—Production of pine lumber during the week ended June 21 totaled 79,188,000 board feet, the Western Pine Association reported today on the basis of figures supplied by 113 mills. The report covers ponderosa pine, sugar pine, Idaho white pine and associated species.

Production for the week was up over the 76,347,000 board feet cut during the preceding week but was down more than ten per cent from the 89,739,000 board feet produced in the corresponding week last year.

Orders for the week were 77,629,000 feet and shipments 77,453,000 feet, the Association reported.

Donald M. Headley of Los Angeles was cited on July 6 by State Patrolman Tom Sheehan, charged with drunk driving, excessive speed and being on the wrong side of the road. His car ran off the road between Tahoe City and Kings Beach, hit a tree and was badly damaged. He was released on \$250 bail and will appear for a hearing before Judge C. W. Vernon of Tahoe City on July 15.

Harris J. Fraser, who was arrested Monday for infraction of a county ordinance prohibiting being intoxicated in a public place, was given a suspended fine of \$60 by Judge Vernon and placed on six months probation. He was arrested by Officer Sheehan.

Game Warden Tom Borneman arrested J. B. Bare of Homewood for having a set line on a pier. Bare said he did not know he was breaking the law when he left his line in the water while taking a trip to Meeks Bay. His son-in-law, S. L. Durrel of San Francisco, was watching the line for him during his absence but Durrel possessed no fishing license. The \$25 fine levied by Judge Vernon was paid.

Tahoe Youngsters Enjoy Outing at Donner

TAHOE CITY—A group of Tahoe City youngsters enjoyed a beach party at Donner Lake on the evening of the Fourth, accompanied by Mrs. Jay Shontz. A picnic lunch was enjoyed first, followed by the lighting of boxes of sparklers prior to the real fireworks display put on for the general public at the lake by the

Truckee chamber of commerce. In the group were Lewis and Sandy Fellows of Carnelian Bay, Jane Brodehl, Jayne and Bro Shontz, Bruce Scott and Bonnie Boyce. The same group were the guests at a beach barbecue on the lakeshore at the home of the Ray Fellows at Carnelian Bay Sunday evening.

SWANEE'S Tahoe Letter

Tahoe City, July 7
Dear Tahoeites:

The Fourth of July holidays are over now and it was a grand and glorious time for everyone. Weather was perfect, everybody's business prospered and there was not a room to be had by late comers for love nor money. Accidents were very few, celebrants were more or less careful, and only one very small fire was reported in the Kings Beach area, which was quickly brought under

control. Tahoe City Garage didn't even have its tow truck out on the Fourth and not until around 9:30 p.m. Sunday night did a call even come in. And that was not for an accident, just a case of parking too close to the water's edge in the sand. Seems a couple went swimming at Tahoe City's public beach in the moonlight, just for a lark, and all went well until they tried to back their car out of the sand, and it wouldn't. So Joe Henry had to run down with the tow truck and haul them out. A mighty tame Fourth for Tahoe, I'd say, but one we all hope is repeated—often.

Was pleased indeed this week to welcome back for their annual

vacation at Sunnyside Lodge the Albert Stevensens, their daughter, Mrs. Ethel Severson and her son, Corky, all of Long Beach. The folks have just returned from a leisurely tour of the West Indies and are making good use of Tahoe's warm, sunny weather to get a good rest. Corky, who is an unusually precocious and adorable little boy, is looking forward to resuming his riding lessons on his pet mount, Hardtack, down at the Bob Scates stables on the river. Cork has been riding Hardtack ever since he was two and hardly able to sit in the saddle. Although only 5½ years old he is entering the second grade at a private school in Long Beach when fall semester starts. He is a great favorite with folks everywhere he goes and the family's Tahoe friends are always eager to welcome them back for the month of July, which they have spent here for a number of years. Stevensen had to fly down home on business the first of this week but he'll be back in a day or two to resume his vacation.

Ladies of the Women's Club of Tahoe are reminded to get in their reservations at Bacchi's in Lake Forest well before July 17, the date of the club's next luncheon and card party.

In for one of their frequent vacations at their summer home in Pineland over the Fourth of July holidays were Mr. and Mrs. C. A. McCoy of San Francisco and members of their family.

House guests at the home of the A. A. Snyders of Lake Forest over the Fourth of July holiday week-end included Larry Henninger and Ronald Allen of Stanford University. Present guests include Dr. and Mrs. George C. Knott of Independence, Ore., and Mr. and Mrs. E. R. Harvey of Roseburg, Ore.

Guests enjoying holiday sojourns at Sanford's Town and Country in the Sunnyside district included Mr. and Mrs. Fred Onstott and family of Gridley, Dr. and Mrs. A. J. Trimble of Reno, Mr. and Mrs. George A. Hynes and family of San Francisco, Mr. and Mrs. A. Burden of Compton, Mr. and Mrs. H. M. Anderson of Skokie, Illinois, and honeymooners Mr. and Mrs. Stanley Rauen of Glendale.

Mr. and Mrs. Imen Mitchell of Sunnyside are entertaining for a week or ten days Mr. and Mrs. Robert Lewis and son Jimmie of Black Point, Marin County. Guests last week of the Mitchells and Mr. and Mrs. Howard Guth of Sunnyside were M. F. Small of Sacramento, personal secretary to Governor Earl Warren, and Mrs. Small.

Even though directors of the Tahoe City Public Utility District met on Monday there will be no news until a later date regarding a new sewer system which they will try to have operating before snow flies. General approval has been voiced over the recent bond election results.

Tahoeites will be happy to see Bud Scott's sturdy new cruiser Tahoe once again riding the blue waters of the lake as he plans to maintain a regular schedule for the rest of the summer season. Trips clear around the lake will be available at least three days weekly, and shorter trips to Emerald Bay daily. Information can be secured by calling the Tahoe Tavern pier.

Ring off for the week with a cheery adios to one and all. As ever, Swanee.

FORTY 20-30 CLUBS IN CONVENTION AT TAHOE TAVERN

Newly elected governor of the Northern California District of the 20-30 International is Robert Baumgart of Sacramento.

He was elected at the summer district convention at Tahoe Tavern at which 40 northern California clubs were represented. Baumgart succeeds Homer T. Anderson, also of Sacramento.

The convention last week was sponsored by Sacramento Club No. 1 under the chairmanship of Robert J. Dana and Cliff Mott Jr. Members of Truckee Club No.

Cost of 4-Laned U.S. 40 Outlined by Sen. Malone

(from Nevada State Journal)

Motorists riding over Donner Summit during the last year or two have seen the roadside signs urging that the route be made a four-lane highway. Those who have wondered what such a project would cost, got their answer recently. The price would be around \$64,511,000.

The figure was obtained by Sen. George Malone, and here is how the cost estimate was broken down:

From Sacramento to Auburn 27.5 miles, \$13,342,000; from Auburn to Emigrant Gap, 32.9 miles, \$17,626,000; from Emigrant Gap to Truckee, 29.6 miles, \$16,100,000; from Truckee to the Nevada state line, 20.4 miles, \$12,343,000, and from Nevada state line to Reno, 12.7 miles, \$5,100,000.

The estimate would include relocation of 48.2 miles of roadway plus the construction of 74.9 miles of roadway for a total distance of 123.1 miles of four-lane highway.

The figures were compiled by the bureau of public roads in Washington and were based on four-way express-type construction with some of the mileage between Colfax and the state line having two roadways on independent alignments and grades.

Request for the estimate was made to Sen. Dennis Chavez, chairman of the committee on public works, of which Sen. Malone is a member. Sen. Chavez was asked to get the figures from Thomas McDonald, commissioner of the fe-

deral roads agency.

Sen. Malone is interested in the project because he feels that construction of the four-lane route between the two cities is necessary from the standpoint of defense and evacuation in case of war.

"Very little improvement has been made on the present two-lane road in the last quarter-century," he said.

In his letter to Sen. Chavez, Sen. Malone pointed out that both California and Nevada are widening portions of U.S. 40 in their respective states.

"But such work on a state level will take a great deal of time. I feel that because of the importance of that highway that federal assistance should be above and beyond the federal aid percentage to complete the highway," he said.

In seeking the cost estimate, Sen. Malone indicated that he would ask the committee, of which he is a member, to consider such special legislation necessary to get full federal support in constructing the "vital defense highway linking Reno and Sacramento."

"If we can't initiate such legislation at this time," the senator declared, "we'll surely make it the first order of business in the next congress."

State Fair Busy Reading For 1952 Exposition

SACRAMENTO— Activity at the vast Counties Building is stepping up daily in preparation for the 1952 State Fair, with work under way already at booths of 14 of the some 40 counties that will exhibit August 28 through September 7.

Meantime, the State Fair itself is undertaking improvements at

the Counties Building in anticipation of heavy demands for space and record crowds. More exhibit room will result from clearing the center space formerly used by Sacramento County's non-competitive display and new lighting and ventilation facilities will be installed.

MISS DAVIDSON IS BRIDE OF LOCAL MAN AT CEREMONY

Miss Margaret Davidson became the bride of Herbert D. Copeland at a religious ceremony performed by Rev. C. E. Thomas in the Methodist Church at Reno July 4. The bride chose an ensemble of salmon pink shade, with white accessories for the nuptials and was given in marriage by her father, A. L. Davidson. Mrs. Stanley Richards of Sacramento, her sister, was matron of honor, and the benedict's best man was Lester Davidson of Truckee.

Mrs. A. L. Davidson, Mrs. N. S. McCrary, Mrs. E. Nolley, Mr. and Mrs. John McGlade, Mr. and Mrs. J. V. Copeland, members of the immediate families, were also invited guests.

Following a brief trip to Lake Tahoe, the young couple returned here, before Copeland left for the U. S. Marine base at Oceanside. They are popular members of the younger set and well known in the community, where they have attended the local school.

Copeland will be in the Marines for two years and at present Mrs. Copeland is employed by the Pacific Telephone Company but expects to later join her husband.

Since their marriage, they have been receiving the best wishes of their many friends.

ERNIE LOMBARDI--
Cincinnati Reds,
HIT INTO 30 DOUBLE PLAYS IN 1938, YET WAS THE LEADING NATIONAL LEAGUE BATTER AND MOST VALUABLE PLAYER THE SAME SEASON!

THE ENTRANCE TO THE WEAVER BIRD'S NEST IS AT THE BOTTOM, WHICH LEADS TO AN INNER CHAMBER WHERE THE EGGS ARE LAID!

BEN SMITH'S CALLING YOU
OVER THE BACK FENCE!
SOMETHING ABOUT SOME
FISH HE CAUGHT!

JOE INKS

by HENRY FORMHALS

HUH! IF I KNOW
SMITH - HE USED
DYNAMITE!

IF YOU CAUGHT THAT
STRING OF TROUT IN
TH' SAN GABRIEL RIVER
I COULD DO TWICE AS
WELL!

I'LL GIVE YOU A CHANCE T' PROVE THAT!
I'M GOIN' BACK AN' CATCH SOME MORE
T'MORROW! I'LL MEET YOU HERE
T'MORROW EVENIN' AND WE'LL SEE
WHO'S THE
BETTER
FISHERMAN!

WOULD YA LIKE
T' BACK YOURSELF
WITH SOME OF
THAT GREEN
FOLDIN' STUFF?

IF YOU FEEL THAT
YOU CAN AFFORD T'
PART WITH A FIVE-
DOLLAR BILL, Y'GOT A
BET!

IF I COULDN'T CATCH
MORE FISH THAN THAT
GUY SMITH, I'D MAKE
KINDLIN' OUTA MY
FISHIN' ROD!

NEXT AFTERNOON---

WELL, I GIVE UP! IF SMITH
CATCHES JUST ONE FISH, I LOSE!
AND I'LL NEVER HEAR TH'
LAST OF HIS
RIBBING!

I HATE T'DO THIS, BUT LIFE WOULDN'T BE WORTH LVIN' IF
OL' BLOWHARD SMITH BRINGS BACK MORE FISH THAN I! I
WON'T ACCEPT TH' FIVE-DOLLAR BET, HOWEVER!
